Using these numbers we will make one full disbursement per award. The students who receive the full amount for Spring would not get another full award for Summer. The remaining full award amounts will be used for new and returning in-house students who had not previously been awarded this grant whose education delivery had to be changed to online learning . Based on remaining funds there may be funds available to award living expenses to these students awarded for the Spring quarter whose education continues to be disrupted due to COVID-19.

ADDENDUM:

Based on the continuing disruption to in-house students during the Summer quarter, HJC increased the Summer distribution for living expenses by \$200 across the board. Non-Pell eligible students were awarded the \$200. Initial Summer awards were as awarded in the first round of awards in Spring.
