Our cook can do cod well.  
The hut has a tar roof.  
It lit with a loud thud.  
Dole out the loot.  
The doubt will douse his hope.  
The kid is a dope.  
The door is at the top of the tower.  
Wow, that coat is cool.  
Roll that log up the hill.  
The sauce has to cool off.  
Let the cat out the door.  
The cop said to cough up the loot.  
Haul that up the hill.  
This is our route.  
The rope has a loop.  
Tow the car off.  
Tote up the tab.  
Tell her off.  
The soap is wet.  
This is a tough code.  
This sauce is hot.  
Do load all of it.  
Look out the door, sir.  
This is the law, sir.  
Well, talk to her, sir.  
Pick that up, too.  
This is too loud.  
The pup will howl.  
Her dad will laugh at her.  
The pug is a lap dog.  
This towel is all wet.  
Sit out at the pool.
